# Independent Auditors' Report on Review of Condensed Consolidated Interim Financial Information

To the Shareholders of Foodco Holding PJSC

#### Introduction

We have reviewed the accompanying 31 March 2021 condensed consolidated interim financial information of Foodco Holding PJSC ("the Company") and its subsidiaries (collectively referred to as the "Group"), which comprises:

- the condensed consolidated interim statement of financial position as at 31 March 2021;
- the condensed consolidated interim statement of profit or loss for the three month period ended 31 March 2021;
- the condensed consolidated interim statement of other comprehensive income for the three month period ended 31 March 2021;
- the condensed consolidated interim statement of changes in equity for the three month period ended 31 March 2021;
- the condensed consolidated interim statement of cash flows for the three month period ended 31 March 2021; and
- notes to the condensed consolidated interim financial information.

Management is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 31 March 2021 condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

#### Other Matter

The condensed consolidated interim financial information for the three month period ended 31 March 2020, was reviewed by another auditor who expressed an unmodified conclusion on that condensed consolidated interim financial information on 13 August 2020. The consolidated financial statements of the Group as at and for the year ended 31 December 2020 were audited by another auditor who expressed an unmodified audit opinion on those consolidated financial statements on 16 March 2021.

At the end of the contract term with the Market Maker, the Company will have the option to either transfer the outstanding shares under its name or dispose of the shares in the market.

#### 2 Statement of compliance

The condensed consolidated interim financial information has been prepared in accordance with IAS 34, "Interim Financial Reporting" and complies where appropriate, with relevant Articles of Association and the requirements of the UAE Federal Law No. 2 of 2015 (as amended). It does not include all the information required for full annual consolidated financial information and should be read in conjunction with the consolidated financial statements of the Group as at and for the year ended 31 December 2020. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in Group's financial position and performance since the last financial statements.

Federal Decree-Law No. 26 of 2020 which amends certain provisions of Federal Law No. 2 of 2015 on Commercial Companies was issued on 27 September 2020 and the amendments came into effect on 2 January 2021. The Group is in the process of reviewing the new provisions and will apply the requirements thereof no later than one year from the date on which the amendments came into effect.

#### 3 Significant accounting policies

The accounting policies applied in this condensed consolidated interim financial information are the same as those applied in the Group's consolidated financial statements as at and for the year ended 31 December 2020.

#### Standards issued and effective

Following amendments to standards are effective for annual periods beginning after 1 January 2021 however, as per management assessment, are not expected to have a significant impact on these Group's condensed consolidated interim financial information.

#### 4 Use of judgements and estimates

The preparation of condensed consolidated interim financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial information, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements as at and for the year ended 31 December 2020.

#### Impact of COVID-19

On 11 March 2020, the World Health Organization ("WHO") officially declared COVID-19 a global pandemic. In light of the rapid spread of COVID-19 across the globe, various economies and sectors have faced significant disruptions and uncertainty and governments and authorities have instigated a host of measures to contain the spread of the virus.

Notes to the condensed consolidated interim financial information

#### 4 Use of judgements and estimates (continued)

Impact of COVID-19 (continued)

Below are the steps taken by the Group to estimate the impact of COVID-19 and the judgements applied by management in assessing the values of assets and liabilities as at 31 March 2021.

#### Assessment of expected credit loss

The Group used a range of macro-economic factors in the assessment of ECL. The Group periodically reviews and updates selected economic series and applies judgement in determining what constitutes reasonable and forward-looking estimates.

For the three month period ended 31 March 2021, the Group has used the mechanism to stress the probability scenario weightages to assess additional ECL requirements due to COVID-19 as in comparison to the scenario weightages used as of 31 December 2020.

In the context of COVID-19 crisis, Loss given Default ("LGD") and Exposure at Default ("EAD") estimates have also been assessed. This assessment has considered several aspects including cash situation and credit rating of the counterparties.

#### Liquidity risk management

In response to COVID-19 outbreak, the Group continues to monitor and respond to all liquidity requirements that are presented. The Group continues to calibrate stress testing scenarios to current market conditions in order to assess the impact on the Group in the current extreme stress. As at the reporting date, the liquidity position of the Group remains strong and is well placed to absorb and manage the impacts of this disruption.

#### - Valuation of investment properties and unquoted investment in securities

In response to COVID-19 outbreak, management believes that there is substantially more uncertainty than under normal market conditions for valuation of investment properties and unquoted investment in securities and have factored additional assumptions used in valuing these assets. As at the reporting date there is no material change to valuation of investment properties and unquoted investment in securities as per assessment of management.

#### Measurement of fair values

The Group has an established control framework with respect to the measurement of fair values. This includes a valuation team that has an overall responsibility for overseeing all significant fair value measurements and reports directly to the Chief Financial Officer.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, the valuation team assesses the evidence obtained from the third parties to support the conclusions that these valuations meet the requirements of IFRS, including the determination of the level in the fair value hierarchy in which the valuations should be classified.

Notes to the condensed consolidated interim financial information

#### 4 Use of judgements and estimates (continued)

Measurement of fair values (continued)

Significant valuation issues are reported to the Group Audit Committee.

When measuring the fair value of an asset or a liability, the Group uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows;

- Level 1: unadjusted quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (prices) or indirectly (derived from prices);
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability are categorised in different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

#### 17 Segment information

IFRS 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are regularly reviewed by the Board of Directors in order to allocate resources to the segment and to assess its performance.

For operating purposes, the Group is organised into four major business segments:

- (i) Investing in securities ("Investment in securities");
- (ii) Investing in properties ("Investment properties");
- (iii) Marine, air and land shipment services along with management and operation of store and warehouses ("Freight forwarding and storage"); and
- (iv) Wholesale and distribution of food products ("Trading").

Transactions between segments are conducted at rates determined by management taking into consideration the cost of funds.

Information regarding these segments is presented below:
